## Narrative Writing Prompt

At the end of the unit, you should accomplish the following:

Create a character and write a narrative in which that character deals with a conflict that may or may not be resolved. Whether the conflict is or is not resolved, your character must still have learned something through the process.

### PAPER REQUIREMENTS

- 2-4 pages
- Typed & double spaced
- 12 point Times New Roman font
- 1 inch margins

In order to start the writing process, brainstorm who you want your character to be and what conflict you want your character to face in the space below. Consider everything we've learned about narratives so far.

(Think about who or what you want your character to "be" and what conflict you want them to face. Ex: man vs technology, man vs society)

1. Who is your character?
2. What do they like/dislike?
3. What conflict(s) will they face?
4. What lesson will they learn at the end of your story?
